

There is No Substitute for American Freedom and Exceptionalism

Pastor Mark Burns knows the America First movement is one that puts families first and leads to prosperity for ALL Americans, not just those picked by RINO elites, Godless Democrats, or the cynical establishment class in Washington D.C.

Pastor Burns' advocacy for election integrity and against the devastating lockdowns and mandates has been second to none in South Carolina and nationally.

Pastor Burns has risked more than most in his fight for Donald Trump and the America First movement and his loyalty and determination to wage the battle against communism's strong and evil hold on many of America's institutions will never wane.

Time Magazine calls Pastor Burns "Donald Trump's Top Pastor", and it's easy to see why. I have no doubt that Pastor Burns' steel spine will scare many in the Washington D.C. swamp.

I consider Pastor Mark Burns a dear friend and I strongly and wholeheartedly endorse him for Congress in South Carolina's 4th district.

Sincerely,
