

FOR IMMEDIATE RELEASE:

STATE HOUSE-ELECT CORY MCGARR URGES ARIZONA U.S. HOUSE REPRESENTATIVES TO VOTE AGAINST KEVIN MCCARTHY FOR SPEAKER OF THE HOUSE

Arizona (December 08, 2022) - Today, Legislative District 17 State House-elect Cory McGarr releases the following statement urging Republican US House Representatives from Arizona to vote against Kevin McCarthy for Speaker of the House.

"The next Speaker of the House needs to be somebody who conservatives can trust and must be openly committed to ending two of Nancy Pelosi's corrupt rules of the House.

First, the next Speaker must bring back the motion to vacate the chair of the Speaker. This gives power back to the official elected to adequately represent their constituency and call into question an illegitimate 'leader' in the House of Representatives.

Second, the next speaker must be prepared to return to regular order. Pelosi's changes to the rules are more reflective of a dictatorship than a representative Republic, and it's time we restore order in the House.

Any candidate for Speaker who refuses to accept these terms should be disqualified from consideration, and I am calling on Representatives Andy Biggs, Eli Crane, Paul Gosar, Debbie Lesko, and David Schweikert to vote against McCarthy for Speaker on January 3."
