Dear Senator Tillis,

Attached you will find a Resolution from the Lee GOP, passed unanimously by the Executive Committee, to bring you up on party-internal charges for "Dereliction of Duty" as an elected official representing the interests of the Lee GOP.

We follow Roberts Rules of Order, Newly Revised, in administering discipline in the Lee County GOP. Therefore, you are afforded the opportunity to prepare a defense against these charges and to defend your actions. You may submit materials in your defense before or during the hearing. You are also permitted to attend and speak and to be represented by an advocate at the hearing.

While rare, the Lee GOP has previously exercised its authority under its Plan of Organization to hold elected officials accountable to the Plan of Organization and to our state and national Party Platforms. We take these matters very seriously and the penalties can be costly. Two of the last three individuals we formally censured lost all support of the Lee County Republican Party for the duration of their terms. You are encouraged to respond to these charges and to defend your interests as a U.S. Senator. The hearing is scheduled for February 20, 2023 at 6:00PM. The location is the Lee GOP Headquarters at 101 S. Steele St., Sanford, NC 27330.
